**GRANITE CONSTRUCTION CONTRIBUTES TO
FRIENDS OF RONALD REAGAN SPORTS PARK MONUMENT**

INDIO, CA (November 29, 2005) – Granite Construction Company has presented Friends of Ronald Reagan Sports Park with a check for \$1,500 to help build Phase One of a monument to honor President Ronald Reagan. Perry Peters was on hand to accept the check from Lee Haven, Granite’s Business Development Manager.

The Rancho California Sports Park, completed with no local government funds, was originally built in what is now the City of Temecula. Ronald Reagan cited the efforts of the community for their Can-Do spirit in a 1983 speech. In honor of President Reagan’s recognition, the Temecula City Council voted to change the park’s name to Ronald Reagan Sports Park on September 15, 2004.

The community was also given the blessing of the City Council for an all-volunteer, 501 (c)(3) non-profit organization, Friends of Ronald Reagan Sports Park, to raise the money, and build a monument to perpetuate the spirit for future generations.

“The success of our Can-Do Project depends on the enthusiastic support of the community,” Peters said.

“Granite Construction Company believes in the spirit of community. Great things can be accomplished with vision and commitment. As part of the community Granite will be there to support the best efforts of Temecula” Haven said.
